

What do you need to take with you?

- Nespresso capsule if you want to use the Nespresso machine
- Music CD's and / or USB stick with music

What is already there?

- A wider selection of spices
- Filled hand wash soap dispenser
- Toilet paper
- Hairdryer
- various books
- Selection of games
- 1 Tempur pillow

Information material?

- There is an information stand, in addition to maps and brochures, there are also information sheets about the apartment and kitchen, which should help you to find your way around the apartment.
- All operating instructions for the electrical devices are in a drawer box in the living room cabinet. Please note above all that the oven is a combination device "microwave / oven". It is certainly not bad if you read the instructions beforehand.
- Sets for the dining table and tablecloths for the garden table are located in the middle part of the living room cabinet. You are welcome to use the red paper napkins. If they run out, it would be nice if you could provide "supplies".

In case you want to have your mail or newspapers forwarded, you will receive a sticker with your name for the letterbox, which please remove when you leave. The postal address of the flat:
